Dear Colleagues,

Due to the COVID-19a disease situation, we are facing radical changes to our daily lives, including our work and professional activities.

In these new circumstances, we celebrated the International Day of Social Work, which we congratulate to all of you (<http://www.fpn.bg.ac.rs/33290>), with an invitation to volunteer and contribute to the community. We feel it is important at this time that we stay in touch and strengthen our professional relationships.

We want to remind you that the Faculty of Political Science in Belgrade, Department of Social Policy and Social Work, has been planning Scientific Conference "*Advocating Equality in a changing world*" for June 5th. We announce the postponement of the abstract submission deadline for the **15th of April 2020** as well as the cancellation of the registration fee. Also, we would like to inform you that we are reconsidering possibilities to organize the Conference without the physical presence of participants through *online* platforms so as not to jeopardize health and safety of the participants.

We remain at your disposal if you have any additional questions and we are hoping that we will be able to organize this Conference with your help and support. We wish you all good health in these changed circumstances.

Sincerely,

Department of Social Policy and Social Work

In Belgrade, March 23rd 2020
