

Get the experience you need to launch your career with BRASIDAS' Youth Talent Program

This is an exciting opportunity where you will be helping develop and deliver our projects, acquire new skills, knowledge and experience needed for you to set your career path at the right direction!

BRASIDAS is looking for ambitious young individuals to join our team in Belgrade.

Brasidas Group offers premium, bespoke business intelligence and risk advisory services based on the Swiss tenets of quality, discretion, reliability, veracity, and timeliness. As a global advisory partner, our objective is to identify tomorrow's international news today and deliver relevant facts that have direct impact on clients' decision-making processes.

Brasidas Group leverages an extensive on-the-ground network, latest technology enablers, and subject matter experts to provide the required strategic insight and solutions.

Our client base includes global organizations, financial institutions, high net worth individuals, wealth managers, and law firms in the private sector, as well as NGOs, political administrations, government entities, and other geopolitical organizations in the public sector.

We recognize the uniqueness of clients' requirements and offer customized services and innovative solutions that allow clients to face their challenges with confidence.

By joining Brasidas Group, you will be part of a collective endeavor in which our boutique structure, coupled with our team's experience and inventiveness, come together to make the best possible experience for our clients.

Brasidas Group is looking for analysts for its Belgrade office, who would be responsible for conducting corporate due diligence investigations and reputational assessments. This position would work closely with senior-level analysts and project managers on these projects.

If you like challenges, you have passion for problem solving, interest in current global events, you want to enlarge your geopolitical knowledge, and grow together with our company, then you are the right person for us!

We offer:

- Opportunity to work within a team of highly motivated professionals in a friendly and dynamic international work environment;
- Employment after the trial period;
- Numerous recognition incentives throughout the year;
- Possibility for career advancement and personal development;
- Management open to your ideas.

ANALYSTS REQUIREMENTS

Candidates must have strong research (surface web, databases, social media) and report writing potential as well as the ability to elicit insights from relevant human sources (HUMINT).

Duties and Tasks

The Analyst will be responsible for several facts of project management and report writing, including but not limited to the following:

Project Management

- Collect, evaluate, and classify open-source research as needed to supplement the information collected, using online sources such as public registries, social media, academic literature, and web-based communities;
- Identify sources and conduct interviews etc.;
- Analyze the information collected and create report in accordance with the set guidelines and format;
- Meet established timelines/deadlines and deliverables.

Analytical Contributions/Article Writing

The Analyst will also contribute short articles throughout the year upon request by senior management. These articles should cover a current industry related topic and will be utilized for marketing purposes and raising the profile of the company.

Basic Qualifications

- Candidates for Bachelor's or Master's degree in Political Sciences, Journalism or a related field or relevant experience;
- Strong communication skills and ability to elicit information from sources;
- Strong research, analytical and writing skills potential;
- Time management and multitasking abilities;
- Complete fluency in English (spoken/written/read);
- Fluency in Microsoft Office suite (Outlook, Word, Excel, PowerPoint, etc.);
- Experience with research projects, report writing, and information gathering; experience in the business intelligence field will be considered as a plus.

Additional Qualifications

- Knowledge of additional foreign language(s);
- Experience in project management.

If you are up for a challenge of this kind and meet the above requirements, you are most welcome to apply at sa@brasidas.ch.
