FINAL RANKING LIST

for enrolment in master's academic studies in the 2025/2026 academic year

Study Programme

Peace, Security and Development

On November 7, 2025, the admissions committee — consisting of Prof. dr Nemanja Džuverović, Prof. dr Filip Ejđus, and Assist. Prof. dr Tijana Rečević — evaluated the letters of research intent as part of the entrance exam for candidates applying to the master's programme *Peace, Security and Development* in the first admission round.

The total number of points used for ranking candidates was determined as follows: the average grade from previous levels of study (up to 50 points), the duration of studies (up to 10 points), and the entrance exam (letter of research intent) worth up to 40 points.

A total of 51 candidates applied, including 24 foreign nationals who completed their previous level of studies abroad. The top five ranked students have been admitted on a state-funded (budget) basis.

After reviewing the documentation submitted by the candidates, the committee compiled the ranking list attached to this Report.
